

HELMET USE ACKNOWLEDGEMENT

PLEASE READ CAREFULLY

I understand a helmet is an important piece of protective equipment that is known to help reduce the occurrence and severity of head injuries. I acknowledge that Blue Mountain Resorts LP normally requires the use of a helmet by its guests who are participating in biking, Segway, ropes courses, zip lines or climbing wall. However, despite Blue Mountain's strong recommendation that I wear a helmet while participating in one or more of the above listed activities today, I am choosing to forego a helmet for religious reasons and, as such, I accept all responsibility for any injury (including death) that I may sustain as a result of my choice.
