Over 900 guest suites are available, ranging in size from resort hotel rooms, boutique and village suites to resort homes.

All offer a business-friendly environment with working space, wireless high-speed internet and proximity to meeting space and business centres.

FACILITIES AND SERVICES

Conference facilities at the resort are located in the Village Conference Centre, Grand Central Lodge and Blue Mountain Inn conference centre, with additional meeting space available at the Westin Trillium House, Blue Mountain. Each provides meeting and event space, complete with full-service business centres and free wireless service in the hotel lobbies.

We are pleased to offer a variety of outdoor venues, including unique mountaintop and private beach locations for meetings, weddings and events.

MEETINGS AND SOCIAL EVENTS

Blue Mountain's full-service catering and events team is ready to assist with everything from coffee breaks to gala events.

In-house food and beverage teams provide custom menu options specializing in locally sourced seasonal food. On-resort dine-around options may also be accommodated in any of the Blue Mountain Village restaurants and bars.

Technology and audio visual needs are supplied by on-site professionals from Five-Star AudioVisual.

RECREATION AND ACTIVITIES

Blue Mountain Resort is known for its seasonal recreation and attractions, including Ontario's best skiing and riding in the winter months, Ontario's only year-round Ridge Runner Mountain Coaster, and a wide variety of seasonal adventure attractions.

Monterra Golf continues to be one of the most popular resort courses in Ontario, providing groups with casual après-meeting play or scheduled corporate events.

Customized team-building and prescheduled group activities can be arranged easily with Blue Mountain's on-site activity professionals.

DINING AND ENTERTAINMENT

The resort features over 20 unique establishments, offering everything from convenient on-the-go fare to fine dining.

A diverse range of après entertainment can be found at Blue Mountain, including live bands and DJs in venues ranging from traditional après-ski bars to chic lounges and dance clubs.

BLUE'S COMMITMENT TO GREEN

Blue Mountain understands the importance of a healthy natural environment — not only to our resort but to the entire planet. We are committed to reducing the environmental footprint of our operations while continuing to provide our guests with fun and memorable experiences in this magnificent natural setting.

EXPERIENCE AN ONTARIO RESORT DESTINATION  
LIKE NO OTHER!

With the natural beauty of the Niagara Escarpment and Georgian Bay as a backdrop, Blue Mountain is the perfect setting for your group event. Meeting and event space exceeds 53,000 square feet. We accommodate groups of 10 to 1,600 in four distinctive conference venues.

The vibrant pedestrian Blue Mountain Village has a delightful, traditional ambiance. Boutique shopping, expansive patios and a variety of dining experiences offer you and your group many ways to enjoy this unique setting. Our Events Plaza is a year-round showcase for live entertainment and festivals.

The mountain is much more than Ontario's largest ski area. Hiking, ropes courses, cycling, golf and spa retreats are just a few of the activities to explore. Meetings are energized and teams excel when you take advantage of the full Blue Mountain experience.
