

Employee Housing Program

A Place To Work. A Place To Play. A Place To Live.

How It Works

Many prospective employees are looking for a place to stay during the winter or summer season. Blue Mountain Resort is pleased to offer a limited number of employee housing beds to our employees. During the hiring process, we will be able to let you know whether there are beds available. If you have been allocated a room in employee housing by a Recruiter, your move-in date and details will be pre-arranged with our employee housing team. It is very important to read any instructions regarding move-in protocol carefully as these may be subject to change without notice.

Grocery, entertainment, and medical facilities are a short distance from the resort and are accessible via public transportation. Depending on resort capability, a shuttle service may be provided to select accommodations for work purposes only.

Accommodation Options

You are not just moving to our town, you are coming to Blue Mountain Resort where Employee Housing is an essential part of Resort life.

Employee Housing is located off Resort, within walking distance to work, and a short bus ride into Collingwood. All accommodations are co-ed and include shared common living spaces, bathrooms and bedrooms. Kitchens, bathrooms and living rooms are fully equipped to meet your needs. Bedrooms are primarily shared with one other person of the same gender, however a limited amount of single rooms are available. You will be asked for your room preference upon registration which we will try our best to accommodate, but cannot guarantee. You will be assigned your room upon arrival.

There are various types of accommodations within our program including but not limited to standard shared rooms with bunk or twin beds, single rooms, premium units and more. Please note that prices vary based on individual assignments and are subject to change season to season.

For Your Stay

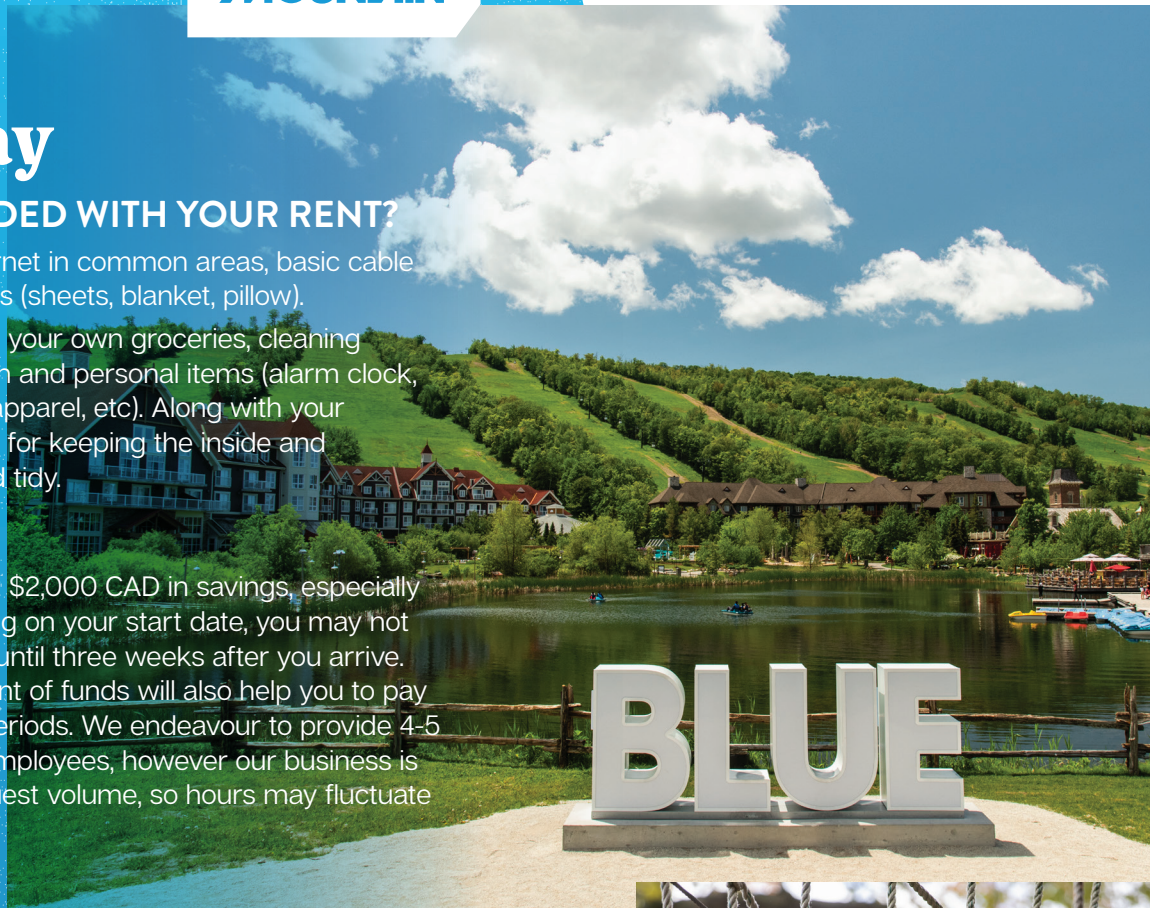

WHAT IS/IS NOT INCLUDED WITH YOUR RENT?

Rent includes basic wireless internet in common areas, basic cable television, furniture and bed linens (sheets, blanket, pillow).

You are responsible for providing your own groceries, cleaning products, transportation into town and personal items (alarm clock, towel, toiletries, winter/summer apparel, etc). Along with your housemates, you are responsible for keeping the inside and outside of the property clean and tidy.

IN PREPARATION

We recommend bringing at least \$2,000 CAD in savings, especially if coming from abroad. Depending on your start date, you may not receive your first full paycheck until three weeks after you arrive. Arriving with a reasonable amount of funds will also help you to pay your bills during slow business periods. We endeavour to provide 4-5 shifts per week to all Full-Time employees, however our business is dependent upon weather and guest volume, so hours may fluctuate throughout the season.

For International Employees

Bank Accounts and SIN

A SIN (Social Insurance Number) is issued in person at the Government office in Collingwood. Once you have a SIN, you can open up a Canadian bank account.

Passport and Health Insurance

Human Resources will ask for your passport AND work permit to photocopy upon arrival at the Resort. Please ensure you have adequate health insurance coverage for your stay in Canada. Hospitals will require payment up front for medical treatment. It is strongly recommended to bring a credit card with at least \$2000 CAD available to pay medical bills if necessary.

Canadian Taxes

Taxes are deducted from your pay automatically and you must manually "file" your taxes at the end of the tax year upon receiving your T4 form from payroll. Your T4 will be mailed to you in February. Please ensure that we have a correct mailing address when you leave. Visit cra-arc.gc.ca for details on filing your taxes.
